Profile Summary

I am a 3D artist / graphic designer with a passion for character design, my journey in the digital art world is driven by a love through the video game "Final fantasy". I've always been fascinated by how a well-crafted character can evoke emotion, tell a story, and connect with an audience on a deep level.

My current work focuses on creating immersive Graphics, 3D environments, 3D models, The nuances of lighting, texture, and color to bring scenes to life. However, my ultimate goal is to channel these skills into character design.

I enjoys exploring different artistic mediums, from sketching/Drawing to digital painting, always seeking new ways to express creativity.

Art is not just a career but a true passion and hobby that fuels imagination.
